Dear [First Name],

We are excited to welcome Lemont National Bank customers to the NuMark Credit Union family. As part of this transition, we are converting our operating systems to better serve you. Our member-first focus is our top priority, and you will be receiving a variety of communications in the coming weeks to keep you abreast of any changes that may impact you.

A critical item you will be receiving in the next three weeks is your new NuMark debit card. **Be on the lookout for a plain white envelope with no logos or credit union identifiers. You will need to retain both your Lemont National Bank debit card, and the new NuMark debit card for the time being. PLEASE DO NOT DESTROY ANY CARDS.** Please be sure to follow the information on the card to activate your new card and set a PIN. Then keep your new card in a safe place until October 5<sup>th</sup>. **Please continue to use your Lemont National Bank debit card between now and the morning of October 5<sup>th</sup>.**

**Important: During the weekend of conversion, all Lemont National Bank debit cards will have temporarily reduced limits, so please plan for your needs ahead of time.** Below you will find a chart that outlines these limits and cut-off times:

| Temporary Card Limits                             | Cut-off Times                                                      |
|---------------------------------------------------|--------------------------------------------------------------------|
| \$500 for purchases;<br>\$310 for ATM withdrawals | From 3:00 PM on 10/2/2026 to<br>approximately 3:00 AM on 10/5/2026 |

Please plan your cash and purchase needs accordingly. We highly recommend carrying a credit card as a back-up payment method as well. If you do not have a NuMark Credit Card, you can apply today by scanning the QR code at the end of this letter.

**You can begin using your NuMark debit card at approximately 3:00 AM on October 5<sup>th</sup>. Once you are using your NuMark debit card on October 5<sup>th</sup>, you will want to take these important steps right away:**

- Update any recurring payments you previously had attached to your Lemont National Bank debit card.
- Update any mobile wallets (Apply Pay, Samsung Pay, Google Pay, Venmo, CashApp, etc.)
- Set up Debit Card Controls on NuMark Online or NuMark Mobile (available for download in your app store.)

### **Tap to Pay – The fast and secure way to check out.**

Your new NuMark debit card comes complete with the latest in secure, contactless chip technology. Pay at millions of locations with one simple, secure tap.

1. Look for the Contactless Symbol at checkout.
2. Tap your contactless card on the checkout terminal.
3. Process your payment in seconds and follow any merchant requests for signing or entering your PIN.

### **Debit Card Controls**

Sign up for Debit Card Controls on NuMark Mobile or NuMark Online and you have the ability to:

- Turn your debit card ON or OFF when it is lost or as needed
- Set up transaction alerts
- Customize locations for usage
- Limit purchases by merchant type
- Control transaction amounts
