Reordering Your Business Checks

[Business Name]
[Street Address]
[City], [State] [Postal Code]

Dear Member,

All of us at NuMark Credit Union strive to provide the very best member experience. As we navigate through the transition from Pioneer State Bank, we are working hard to ensure that you have the tools and resources needed to avoid disruption to your banking.

You should have already received communication that your account number will be changing. Additional correspondence will be coming with your specific details in the coming weeks. At this time, we would like to place a complimentary order of checks for your business. Business accounts have unique needs and preferences. Therefore, we ask that you please complete the form below with your new check order election and return it to us in the enclosed business reply envelope by **June 25, 2023**.

Rest assured, your current Pioneer State Bank checks will continue to be processed without disruption for the foreseeable future. However, we will be unable to provide images of checks written using your Pioneer State Bank checks beyond July 7, 2023. If check images are important to you, you must begin using your new NuMark Credit Union checks on July 7, 2023. Even if you do not rely on check images, we highly recommend utilization of your new checks in order to ensure the smoothest migration.

We appreciate your business and all of us are excited to have you as a part of the NuMark family! **Please visit numarkcu.org/psb-customers for important dates and additional merger information.** Should you have any questions, please call us in Earlville at 815-246-8411 or Paw Paw at 815-627-2651 or Sublette at 815-849-5242. We are here and ready to help you in any way we can!

Sincerely,

Cristen Austgen
Vice President, Member Experience
